SUMMARY

Computer Science and Engineering student skilled in Java, SQL, and backend development with Servlets and JDBC. Solved 500+ DSA and SQL problems on LeetCode and GeeksforGeeks, demonstrating strong problem-solving skills. Aspiring software developer focused on building reliable, scalable, and user-centric applications.

EDUCATION

Galgotias University 2024 – 2028

B.Tech in Computer Science and Engineering

PROJECTS

SehatAI-Smart Rural Health Assistant 2026

– Developed a full-stack AI platform for rural healthcare guidance and health awareness.

– Built an accessible digital solution to improve access to health-related information for rural communities.

Tech Stack: React.js, Vite, Spring Boot, MySQL

Web Scientific Calculator 2025

– Built a web-based scientific calculator supporting advanced mathematical operations.

– Designed a responsive interface with real-time calculation functionality.

Tech Stack: HTML, CSS

Smart ChatBot 2025

– Developed a chatbot capable of responding to user queries through conversational logic.

– Implemented interactive features to simulate human-like conversations and user interaction.

Tech Stack: Java

INTERNSHIP

Edunet Foundation – Data Analytics Intern 2026

– Selected for a 4-week Data Analytics internship under the VOIS for Tech Program.

– Gained exposure to Python, AI/LLM applications, data visualization, and project-based learning.

IBM SkillsBuild Academic Internship - Data Analytics with AI – AICTE 2026

– Completed an academic internship focused on Data Analytics with AI under the AICTE–IBM SkillsBuild program.

– Gained exposure to data analytics concepts and AI-driven approaches for solving real-world problems.

TECHNICAL SKILLS

Languages: Java, SQL, C & Python (Basic)
Backend: Servlets, JDBC, JSP, Spring Boot
Frontend: HTML, CSS, React.js, Vite
Database: MySQL
Developer Tools: VS Code, Eclipse, Git, Power BI
Core Skills: Data Structures & Algorithms, Database Management System, Object-Oriented Programming
Soft Skills: Problem Solving, Communication, Teamwork, Leadership, Adaptability

ACHIEVEMENTS

National Cadet Corps (NCC) Cadet:

– Completed NCC "B" Certificate with B Grade, demonstrating leadership, discipline, teamwork, and responsibility.

EXTRACURRICULAR

Coding Practice: LeetCode and GeeksforGeeks

– Solved 500+ DSA and SQL problems across LeetCode and GeeksforGeeks.

– Regularly practice Data Structures, Algorithms, and problem-solving challenges.

CERTIFICATIONS

– AWS Skillbuilder — Foundations of Prompt Engineering

– HCL Guvi – Mastering MySQL

– Oracle – Database Programming with SQL
